To whom it may concern,

Attached is my current Unemployment compensation stub. The stub reflects \$679 paid weekly, with a balance of \$13608.00 This Balance provides 20 more weeks of Unemployment compensation. However please understand that there are extensions that I will qualify for (since I was in the Auto Business) That will surpass your 9 month requirement.

20weeks left currently

Plus the first extension: **October 2 Update:** Senator Max Baucus, Chairman of the Finance Committee, introduced legislation - the Emergency Unemployment Compensation Act of 2009 - that provides additional weeks of federal unemployment benefits to workers in all states. Baucus and Senate Majority Leader Harry Reid propose four extra weeks of extended unemployment benefits for all states, plus 13 additional weeks for the 27 hardest-hit states.

Connecticut falls in the parameter of the "27 hardest hit states" [REDACTED]

This extension provides 17 more weeks

Second extension: November 6 Update: President Obama has signed the unemployment extension legislation. Check with your state unemployment office for details on when payments will start being made. The extension provides for 14 weeks of extended benefit coverage for every state and an additional 6 weeks, for a total of 20 weeks, in high unemployment states where unemployment is over 8.5%.

Again Connecticut is unfortunately over 8.5%

This extension provides another 20weeks

Now these 2 first extensions alone plus my current benefit time is 57 weeks, totaling over 1 year.

Please understand I have no intention of staying unemployed that long. Come spring time the latest I will land back in a car dealership. Please also understand I was laid off back in July of 09 and have gone through all of my savings. I did not think I would be unemployed this long. This is the down side to the auto Business, great, money while employed, but hi turn around. While employed in the Auto Business, my history and experience grants me a pretty high paying salary. So even though was laid off in July, I was able to live off most of my savings and pay all my bills up until November. Currently I am not behind on any other bills other then my mortgage. But I can no longer survive off unemployment alone, and still pay all my bills. I hope that the fact I kept trying and staying above "water" for the past 4 months will show some character. I did not reach for handouts and help from all sources nor did I stop paying bills upon my layoff back in July. I fought every day to find work and stay on top of all my financial obligations. At this time I have to prioritize, I am the sole provider for my 2 children. My priorities are keeping my House, Keeping the heat and electricity on, and keeping food on the table. As soon as GMAC

can help me the better and at the same time I will then contact a credit card consolidation program to consolidate my credit card dept if need be as well. But again I have to focus on keeping my house, food for my children and heat and electricity.

TeleCert/WebCert

Unemployment Insurance
Benefit Claim Certification by Telephone or Web

Your unemployment insurance benefit check
is attached below. Before you cash the check,
detach it and keep the stub for your records.

File every week that you are unemployed or working part-time. (If you worked full-time, you are not eligible for benefits for that week and should not file.)

Here's how to file for benefits:

Call: 617-626-6338 or use the Internet. Go to www.mass.gov/dua (follow the instructions on the screen).

Days/times to file: Sunday to Friday, from 7:00 a.m. to 7:00 p.m. (same hours on the Internet)

Sunday is the first day of the week you can call to claim benefits for the previous week.

Information you will need:

Your Social Security Number

For Telecert use your 4-digit Personal Identification Number (PIN). For WebCert log in with a User Name & Password.

The amount of your gross earnings if you worked during the week claimed. Include holiday pay.

Answer these three questions:

You are answering these questions only for the week that you are claiming benefits.

During the week claimed, did you look for work?

During the week claimed, were you able to work and available for work?

During the week claimed, did you work or earn holiday pay?

Failure to report employment and wages while collecting Unemployment Insurance may result in penalties and/or prosecution. (If you answer "yes" to this question, you will be asked to enter the amount of your earnings in dollars and cents. Include holiday pay. If you do not know how much you earned, you will need to call Telecert again or use WebCert again to report your earnings. This may delay your benefits).

To reactivate your claim:

If you do not claim benefits for even one week - because you returned to work or another reason - your claim will "close." You may reactivate it by calling the DUA TeleClaim Center. Call one of the numbers below to speak to a claims agent.

Form 1042 Rev 03-20-06

 TeleClaim Center: Call one of these numbers when you need to speak to a claims agent. Call 1-877-626-6800 if you are calling from area codes 351, 413, 508, 774, and 978. From any other area code, call 617-626-6800.
